The screenshot displays the Beanstalk app dashboard. At the top, there's a navigation bar with 'Help', 'Dashboard', and 'Repositories' tabs. The 'Dashboard' tab is active. On the right, a user profile for 'Chris Nagels' is shown with links for 'My Profile' and 'Logout'. A search bar is also present. The main section is titled 'Latest activity on your repositories'. It features a list of recent commits, each with a repository name, commit message, author, and time. The repositories listed on the right include 'Beanstalk', 'Beanstalk API Plugin', 'Newsberry', 'Postmark', 'Project Alpha', 'Support Center', and 'Wildbit'. A 'Create a repository...' button is at the bottom right.
